

Alight + NGA Human Resources

Completing the picture

NGA HR and Alight have complementary capabilities across platforms and geographies that bring together a powerful combination of services for large, complex, multi-national companies.

About Alight

- 25+ year operating history
- Headquarters in Lincolnshire, Illinois
- 10,000 colleagues
- 19 global delivery centers—primarily North America and APAC
- ~3,000 clients, including nearly 50% of the Fortune 500
- Serve 23M people and their 11M family members

About NGA HR

- 1,300 HR & payroll system implementations
- Payroll delivery capabilities for 188 countries
- 25 spoken languages supported
- 16 million payslips delivered per year
- More than 4,500 employees in more than 35 countries

Alight

- Navigates payroll for some of the largest and most complex companies across North America
- Deploys, operates and supports the Workday platform, including payroll integration
- Delivers simple, personal, connected digital experiences to clients and their people
- Industry leader in health and wealth solutions in North America
- Ranked as a leader in the Everest PEAK matrix for Workday-based HRBPS and HCM IT providers

NGA HR

- Leading multi-country payroll provider with state-of-the-art payroll optimization tools
- Presence across 35 countries—with a strong footprint in EMEA
- Industry-leading HR technology platforms including hrX and euHReka multi-tenant cloud payroll platform
- Featured in the HfS Winner's Circle for SAP SuccessFactors innovation and execution
- Ranked as a leader in the Everest PEAK matrix for multi-country payroll since 2015 and as a star performer in 2018

On August 22, 2019, Alight announced it had signed a definitive agreement to acquire NGA HR. The transaction is anticipated to close in the fourth quarter, and, until closing, the two organizations will continue to operate independently.
